# TIME TO DANCE!

*Performing Arts*

## **NOW ENROLLING**

Has your son/daughter always wanted to dance?  
Now is the right time.  
Let our experienced faculty guide your child!

## At South Coast, we offer styles and programs for dancers of every level.

**Recreational:** The recreational program is for beginning dancers who take 1-2 hour a week. This program allows dancers to explore the art of coordination and rhythm.

**Rubber Duckies:** This program gives dancers, between the ages of 3-5 years old, a chance to take class and work on choreography throughout the year. In addition, they get to attend 2 competitions during the year along with performing in the annual recital.

The **Performing Group** is for the dancer who wishes to increase their training and participate in a competitive venue. These dancers take 3-5 hours a week and compete at 2 competitions a year.

The **Shooting Stars** is for dancers who have outpaced Performing Group dancers but are not yet ready for our Company Program. These dancers take 4-6 hours a week and compete at 4 competitions a year.

The **Lovett Ballet Academy** ballet program offers classical ballet training for students wishing to pursue a career in dance as well as those wishing to enrich their lives by participating recreationally. The LDC Performance Groups compete on a regional as well as national level.

The **South Coast Company** is for selected, dedicated dancers who are ready to commit to a 5-10 hour training schedule (dependent upon age.) They compete at 5 competitions a year and perform in recital.
